

Preparing for a Hurricane

22 August 2012

45 CES/CEX

4-4224

Overview

- **Have a Plan**
 - **Family Disaster Kits**
 - **Air Force Personnel Accountability and Assessment System (AFPAAAS)**
 - **Helpful Preparedness Resources**
-

Have a Plan

- Know where you are going to shelter
- It is important to familiarize yourself with multiple routes for evacuating the local area
- Keep in mind that if PAFB is evacuating so will the local population
- Pay attention to information briefed or disseminated by your Unit Control Center (UCC)
- Evacuation costs are only reimbursable after evacuation order is given by 45 SW

Air Force Personnel Accountability and Assessment System (AFPAAAS)

- **AFPAAAS is the Air Force's tool to account for the total force and provide support during and after disasters.**

<https://afpass.af.mil>

- **After an event Airmen can log in and answer:**
 - How are you?
 - Where are you?/How can we contact you?
 - What do you need right now?
 - **Provides tools for the 45 SW leadership team and support personnel for accountability, case management, and reporting**
 - Role-based
 - Automated Reporting
 - Supports DODI 3001.02 ("By Name" Accountability and Reporting)
-

AFPAAS Mobile Access

AFPAAS MOBILE WEB APP RELEASED!

During an event sponsors now have improved access through certain smart phones to the accountability and assessment features of AFPAAS.

Release 1 capabilities and limitations include:

Capabilities:

- A mobile phone web app accessible through your phone browser (no app to download-saves you space)
- Smartphone friendly user interface
- Simple steps lead the user through accountability, location and contact update, and assessment (if required)

Limitations:

- Available to ONLY sponsors
- Available to ONLY personnel affected by an event – can't be used to update contact information apart from an event
- Designed for ONLY iPhone, Android, and certain touch-screen Blackberry phones (not iPad or non-touchscreen phones)

The next time you are affected by an accountability or assessment event, go to <https://afpaas.af.mil> from your smartphone for mobile AFPAAS access! Watch for upcoming announcements of enhancements to the mobile web app.

- **AFPAAS Can be accessed via the web browser on Apple, Android, and Blackberry mobile devices.**

Helpful Preparedness Resources

- **More information and useful guides can be found at the below locations:**
 - **45 SW specific information**
 - <http://www.patrick.af.mil/> under the Featured Links Section- Family Disaster Planning Guide, Hurricane Brief 45th Space Wing, Hurricane Survival Guide
 - Wing's Info Line: 494-4636
 - Like the Wing's Facebook Page: www.facebook.com/45SpaceWing
 - Twitter: @45thSpaceWing
 - **Other very useful links**
 - www.BREVARDCOUNTY.US/EmergencyManagement – Website for Brevard County Emergency Management which provides local information based on the status of events in Brevard County
 - READY.GOV – FEMA website with information for evacuation and preparation measures
